

# AstraZeneca Access 360<sup>™</sup>

# Technology Resources

Access 360 has made enhancements and technology improvements to **various portal resources and tools** to make it easier for you to manage your patient's care and access our medications. Below is a quick reference about each of these resources and how they work. If you have any questions, please contact Access 360 or your Field Reimbursement Manager at **1-833-360-HELP (1-833-360-4357)**.

---

Access 360 Provider Portal

***ProviderPortal.MyAccess360.com***

The Access 360 Provider Portal makes it easy for providers to manage access to AstraZeneca medicines for patients online. The portal:

- Makes it easy for you to enroll and track patient status from one location (only for Access 360 programs)
- Helps you access and enroll in affordability programs
- Contains advanced features such as customizable alerts and multiple location access points
- Allows you to submit prior authorization requests to any payer
- Notifies providers of real-time alerts and patient status updates

## *[www.FasenraSavings.com](http://www.FasenraSavings.com)*

AstraZeneca offers Patient Savings Programs to make it easier for patients to afford their medications, such as FASENRA® (benralizumab Subcutaneous Injection 30mg). Using these programs, the patient pays a set amount of his or her out-of-pocket costs, based on the medicine. The pharmacy or provider will use the Patient Savings Program to cover the balance, up to the program maximum.

The AstraZeneca Specialty Savings Portal offers these benefits:

- Provides information about the Patient Savings Programs for all AstraZeneca specialty medications
- Serves as a one-stop shop, linking to the enrollment portal for each program, making it easy for providers to enroll eligible commercially insured patients online
- Once a provider has enrolled a patient into a Patient Savings Program, specific account information will be presented for immediate use

### *Dial by Extension and Access 360 Email*

**Dial by Extension** allows health care providers to connect directly with their Access 360 Reimbursement Counselor.

- Skip the phone menu and speak to or leave a message for the same Reimbursement Counselor every time you call by dialing **1-833-360-4357** and **selecting your counselor's extension**

*[go.covermymeds.com/provider](https://go.covermymeds.com/provider)*

The CoverMyMeds Portal allows pharmacists and providers to initiate, transmit, and track the status of prior authorization (PA) requests and to enroll in drug manufacturer (AstraZeneca) resources. The CoverMyMeds portal offers:

- Ease in finding the correct PA request
- Ability to submit PA requests to any payer and often receive real-time determinations
- Pre-populated renewals using previously submitted PA requests
- Access to drug-specific financial assistance and support programs with the enrollment process for Access 360 directly incorporated

Beyond the all-payer portal solution, CoverMyMeds is also integrated into 500+ electronic health record systems, offering ePA services within workflow.

**Access 360 Email** allows health care providers to send emails directly to Access 360.

- Send questions to the Access 360 team via email at **[Access360@AstraZeneca.com](mailto:Access360@AstraZeneca.com)**
- We will respond to your email promptly

Note:

**One Click** – Call from your FRM

**Two Clicks** – Call from Access 360

The Dash Button expedites communication between the physician's office and Access 360.

No need to log in, make a phone call, or send an email—it's as simple as pressing a button:

- Your Field Reimbursement Manager (FRM) will configure the button for your office including registration and wireless network set-up
- After configuration, the button is ready to use. Just press the button and receive a call back with assistance to your inquiry
